

**Attention West Oak Students:**  
**Would you like to have fun and help your school  
community too?**

The Parent Teacher Organization (PTO) is looking for new volunteers to JOIN  
THE FUN!

There are several reasons to get involved:

- Take pride in your school district
- Provide service in your own school community
  - Have fun through active participation
  - Earn community service hours
  - Showcase your talents

If you would like to help out and JOIN THE FUN, please complete the Student  
Volunteer Form and return it to your teacher. By completing this form, you are  
not obligated to help. Someone from the PTO will contact you regarding your  
interests.
