

Diamond Lake School District 76 *Recycling Project 2010-2011*

- Each school lunchroom will have a box where students can place their EMPTY CapriSun or Honest KIDS Drink Pouches.
- The school will collect them and we will send to a recycling company, Terracycle.
- Once we hit 500 pouches, we send in and they will reimburse us per pouch (\$.02 each).
- This is a great way to teach the students on how recycling can benefit everyone.
- Recycle at home too! Periodically send in your recycled drink pouches from home in a plastic bag and we'll recycle it for you.
- November 15th, 2010 is National Recycling Day...What a great way to get this going!
